**CITY OF NAPERVILLE
MEMORANDUM**

DATE: April 11, 2024

TO: Douglas A. Krieger, City Manager

THROUGH: William J. Novack, P.E., Director of Transportation, Engineering and Development/City Engineer

FROM: Andrew Hynes, P.E., Deputy City Engineer

SUBJECT: Ogden Avenue Pavement Resurfacing between Shandrew Drive (east of IL Route 59) and North Aurora Road

Purpose:

The purpose of this memorandum is to provide information on the upcoming pavement resurfacing work on Ogden Avenue/US Route 34 between Shandrew Drive (east of IL Route 59) and North Aurora Road.

Background:

The Illinois Department of Transportation (IDOT) will be resurfacing the pavement on US 34/Ogden Avenue between Shandrew Drive (east of IL Route 59) and North Aurora Road this spring. See the attached map. The work will also include reconstruction of some sidewalk ramps and minor traffic signal modifications.

A portion of Ogden Avenue between Rickert Drive and Aurora Avenue will be excluded from this year's resurfacing work. IDOT is planning a separate project to add a second southbound left turn lane on Ogden Avenue and Rickert Drive and resurface the remaining area. This turn lane project is programmed in the 2025-2029 timeframe.

Discussion:

Some advanced work for this project has already started. Milling and paving operations are anticipated to begin the week of April 15th. To help minimize disruptions to traffic flow and adjacent businesses, lane closures will not be allowed from 6:00 AM to 08:30 AM in the morning and 4:30 PM to 6:00 PM in the evening. In addition, the resurfacing work from south of the Aurora Avenue intersection to North Aurora Road along the commercial corridor will be performed at night. Paving operations between Shandrew Drive and Rickert Drive along the residential corridor will occur between 8:30 AM and 4:30 PM.

Recommendation:

Please distribute this information to the City Council in the Manager's Memorandum.
