

Ogden Avenue Water Main Replacement Project

PROJECT DETAILS

Motorists can expect lane reductions and increased travel times along Ogden Avenue beginning July 18.

The two eastbound lanes of Ogden Avenue will be closed between Columbia and Wisconsin Streets weekdays between 9 a.m. and 3 p.m. Eastbound traffic will be narrowed to one lane and shifted to the center shared lane of Ogden Avenue. With the exception of minor work on the north side of Ogden Avenue at Wisconsin Street, the westbound lanes of Ogden Avenue will remain open throughout the project. Motorists are urged to use caution and allow additional travel time when traveling in this area.

Access to Ogden Avenue businesses in the work area will be largely maintained; though temporary disruptions may occur. Business entrances on the north side of Ogden Avenue will not be impacted.

LEGEND

-  Eastbound Lane Closures: Weekdays 9 a.m. to 3 p.m.
-  Single lane East bound traffic: Weekdays 9.a.m to 3 p.m.
