

2009 Riverwalk Guidelines

Riverwalk Guideline Vision Statement

The Riverwalk is a Naperville landmark. The park serves as a significant environmental asset that functions as a compelling recreational and cultural destination while providing a powerful economic catalyst to the community.

Riverwalk Guidelines Objectives/Goals

- **Continue to update and unify appearance while maximizing use and capacity.**
- **Provide ongoing efforts to reduce maintenance, promote environmental sustainability, and enhance views and vistas.**
- **Complete the gaps within the agreed upon geographic boundaries of the existing Riverwalk.**
- **Improve pedestrian safety including accessibility through renovation or new construction where necessary or appropriate.**
- **Provide opportunities to increase visitor hospitality and compliment the community.**
