

NAPERVILLE RIVERWALK

DEVELOPMENT GUIDELINES

NAPERVILLE RIVERWALK

DEVELOPMENT GUIDELINES

*for the City of Naperville &
Naperville Park District*

PREFACE

The *Naperville Riverwalk Development Guidelines* is a 20 year descriptive, visionary planning document. Project names, descriptions, and respective dollar amounts shown are conceptual estimates only, and do not grant, nor are they to be construed as granting, any approval for the budgeting or expenditure of funds for any purpose whatsoever. All projects contained in this document must follow the regular Capital Improvements Program budgeting procedures of City of Naperville and those applicable provisions of the new Intergovernmental Riverwalk Agreement and Lease between the City and the Park District approved in January, 2003.
