

NATIONAL NIGHT OUT DONATION DRIVE

360 Youth Services

The City of Naperville has partnered with **360 Youth Services** for this year's National Night Out donation drive. Neighborhoods are encouraged to conduct a donation drive for this worthy cause in conjunction with their National Night Out events. A donation box will be provided upon materials pick up.

The **Mission** of 360 Youth Services is to provide life-changing services to youth through prevention education, counseling and shelter.

Their **Vision** is a community where all youth possess the necessary skills to successfully navigate life's challenges.

360 Youth Services provides housing for homeless youth with a program that includes educational support, employment counseling, and life-skills development that leads them toward a path of healthy self-sufficiency that will last a lifetime. The residents of the transitional housing programs at 360 Youth Services are always in need of supplies to help them as they successfully transition from homelessness to independent living.
