<b>Description:</b> Finish a gym and bathroom (currently unfinished storage) in an existing finished basement that was finished by others many years ago. The plumbing underground for a 3-piece bathroom exists, however we are moving the toilet and shower a few feet (break and patch concrete). There is an existing egress window with a net clear opening of 21x44 and a window well with ladder that extends 39" from foundation and a well square footage of 15 sq ft.
