MISC-0832-2025	MISCELLANEOUS	LAWN IRRIGATION SYSTEM	ISSUED	07/28/2025	4115 CHINABERRY LN, NAPERVILLE, IL 60564
<i>Description: Subject: Permit Request for In-Ground Lawn Irrigation System Installation</i>  <i>I am requesting a permit for the installation of a new in-ground lawn irrigation system. This is a completely new setup, as no existing irrigation system is currently in place. The system will cover the entire yard, wherever watering is required.</i>  <i>The backflow installation will be handled by 4 Seasons Heating, Cooling, and Plumbing, who will also provide the necessary license and documentation directly to the City.</i>  <i>The remainder of the sprinkler system will be installed as a DIY project by the homeowner.</i>  <i>Julie's (811) markings have been requested and are now completed and in place.</i>  <i>The irrigation system being installed is a product called Irrigreen. For more details about the system, please refer to the manufacturer's website: <a href="https://irrigreen.com/">https://irrigreen.com/</a></i>  <i>Please let me know if any additional information is needed to process the permit request.</i>  <b>Plumbing Contractor:</b> KELLY DUDEK 9934 S 76TH AV, BRIDGEVIEW, IL 60455 (708)581-3017 PERMITS@FOURSEASONSHOMESERVICES.COM

RMIS-0644-2025	RESIDENTIAL: OTHER IMPROVEMENTS	PATIO/ATHLETIC COURT	ISSUED	07/31/2025	1204 ELIZABETH AV, NAPERVILLE, IL 60540
	<i>Description: All of the following will be done using Unilock pavers (PERMEABLE). Installation will be done by C &amp; A Landscaping. This is part of a current residential build being done by Monument Builders.</i> - Patio of approximately 650 square feet with natural gas firepit installed 15+ feet from residence. Gas supply line will be installed by Monument Builders. - Three walkways, each approximately 30 to 35 feet in length totalling 291 square feet of permeable pavers. - In addition, pavers will be used to construct and install landings and step from rear patio door and from porch to walkways on front of the home. - Previously approved grading plan/site survey is provided. In addition, a mark-up of the plan indicating the location of patio, walkways and landings is provided. The mark-up is a 'strong' estimation of location. Any changes will be done to ensure no impact to swale, easement or other occurs. - Photo provided of originally proposed layout of patio. Landing and step is missing but is part of the proposed build. In addition, the fire pit could change from round to rectangular in order to ensure the swale is not impacted. A pic of this style is provided. - Pictures of gas and electric meters provided as requested. No permeable pavers will be in the area of the electrical meter. Pavers will be at a minimum of 3 feet from the gas meter. - As I'm sure all applicants are, we are seeking a quick approval if possible. Looking to start work in August.  <b>General Contractor:</b> Jeffrey R Pawlowski 998 Landing Road, Naperville, IL 60540 (163)030-0806 ext 0      jpawlowski222@gmail.com
