<p><i>Description: We will be painting and installing new flooring throughout the main two floors. The kitchen will remain in its current layout but we will be installing new luxury cabinetry along with countertops and new appliances. The only other change being made to the current layout is the shower in the master bathroom will be moved next to the current tub in order to create a wet room. No additional fixtures are needed as we will be moving the current shower fixtures. There will be an infared sauna installed where the shower currently is (it is a kit) and will require 120v. This will be the only electrical work. Electrical and plumbing permit request to follow.</i></p> <p>Plumbing Contractor: Kevin Szabo</p>
