## PERMITS ISSUED BY WORK CLASS (04/01/2026 TO 04/30/2026)

**Description:** 3 windows will be replaced/installed that will require altering and/or enlarging the existing window opening. (additional detail and illustration provided in Plan Set Attachment)

Window 1 will replace an existing window with a rounded top, which will be squared off for the new window. The dimensions of the window will otherwise stay the same. The dimension of the new window will be 48 1/2" x 59".

Window 2 replaces an existing small half circle window that will be squared off at the top and built/enlarged down for a 37" by 77 1/2" window.

Window 3 is the same as window 2.

## PERMITS ISSUED BY WORK CLASS (04/01/2026 TO 04/30/2026)

**Description:** Remove existing kitchen cabinets and finishes as required.

Demolish the existing soffit. Electrical and mechanical lines within the soffit will be adjusted and properly rerouted as necessary to accommodate full-height cabinets, in accordance with applicable codes.

The existing gas piping serving the range will be removed and relocated to the new range location in compliance with applicable codes.

Install new ductwork for the kitchen exhaust hood and install a new hood. The kitchen exhaust hood will comply with applicable code requirements. The internal blower will be set to a maximum of 390 CFM; therefore, additional make-up air will not be required.

Construct a new kitchen island. Plumbing work will include installation of new water supply and drain lines to accommodate relocation of the sink, in accordance with applicable plumbing codes.

At the kitchen island, one (1) GFCI-protected receptacle and one (1) standard receptacle will be installed in compliance with code requirements.

Dedicated electrical circuits will be provided for the microwave, garbage disposal, and dishwasher.

Install new recessed (can) lighting fixtures throughout the kitchen area in compliance with applicable electrical codes. Install two (2) pendant light fixtures above the kitchen island.
