VA Health Care (VHA) and the VA Benefits Administration Pension (VBA) Program

Did you know that...

- VA medical facilities, medical centers and clinics in the Midwest are highly rated
- An overwhelming amount of VHA users are pleased with the services they receive, surprised by the services available, and willing to recommend VHA to others
- VA medical benefits cover everything from flu shots to major surgery
- VHA offers senior care services and programs for caregivers
- The VA pension program is an income and asset evaluation, and you don't need 20 years of military service to apply

Matthew Taylor, Veterans' Service Officer with the Illinois Department of Veterans' Affairs will show you:

- Benefits available from Federal and Illinois veteran's programs
- Eligibility requirements
- How to apply for benefits
- How to use Federal and Illinois benefit web sites
