Applicants for full-time positions with the Police Department must attend a mandatory orientation session prior to testing and shall be considered a mandatory part of the testing process. The Board or its agents shall explain the testing process and provide information so that the applicants are oriented regarding the position for which they apply. - All witnesses shall be sworn prior to testifying.

CHAPTER SEVEN – HEARING OF CHARGES FOR DISCIPLINE AND DISCHARGE**7.04 LEGAL PRINCIPLES FOR DISCIPLINARY HEARINGS**

Proceedings before the Board in disciplinary matters shall be governed by the following legal principles:

- *Burden of proof* -- The complainant or petitioner initiating any proceedings which call for a hearing before the Board shall have the burden of proof to establish by a preponderance of evidence that cause for discipline exists or that a suspension, previously imposed by the Chief, is unwarranted. Should the question of a crime be involved, the criminal standard of “reasonable doubt” shall not control.
- *Standard of review* – The test used to determine if the burden of proof has been met in an administrative hearing is the “preponderance of the evidence test.” The phrase “preponderance of evidence” is defined as the greater weight of the evidence; that is to say, it rests with that evidence which, when fairly considered, produces the stronger impression, and has a greater weight, and is more convincing as to its truth, when weighted against the evidence in opposition thereto. In other words, the Board, as the trier of fact, must be persuaded that the proposition is more probably true than not true.
- *Cause* – “Cause” is some substantial shortcoming which renders continuance in employment in some way detrimental to the discipline and efficiency of the public service and something which the law and sound public opinion recognize as cause for the officer or firefighter to no longer occupying his or her position. The right to determine what constitutes cause lies with the Board.

CHAPTER SEVEN – HEARING OF CHARGES FOR DISCIPLINE AND DISCHARGE**7.05 HEARING PROCEDURES**

Complaints -- In all cases, any proceedings before the Board shall be initiated by the filing of a written complaint to the Board which shall set forth a plain and concise statement of the facts upon which the complaint is based, as well as the citation to the applicable general order, procedure, rule, policy, code, or statute.

Probable Cause -- The Board shall have the right to determine whether there is or is not probable cause for hearing a complaint, and may conduct such informal hearings as may be necessary for such purpose.

Notification of Hearing -- Upon the filing of a written complaint with the Board, and the determination of the Board of probable cause for entering said complaint, the Board shall notify both the complainant and the respondent, either by certified mail, return receipt requested, or personally, of the time and place of the hearing of the charges contained in the Complaint. The respondent shall also be served with a copy of the Complaint.

Order of Suspension Pending a Hearing -- If an Order of Suspension Pending a Hearing is entered by the Board, the parties and the City's Finance Director shall be notified of the entry of such order, and be served either personally or by certified mail, return receipt requested, with a copy of such order.

Continuances -- A party to the proceeding may request in writing to the Board a continuance of hearing. The matter of granting or refusing to grant a continuance of a hearing is within the discretion of the Board.

Stipulations -- Parties may, on their own behalf, or by counsel, stipulate and agree in writing, or on the record, as to potential facts. The facts so stipulated shall be considered as evidence in the proceeding. In the event a respondent has been suspended pending a hearing and desires a continuance, it shall also be stipulated and agreed that in the event said respondent is to be retained in his/her position as a result of a decision of the Board following a hearing of the cause, then no compensation shall be paid to said respondent during the period of said continuance.

Objections to Sufficiency of Charges -- Motions or objections to the sufficiency of written complaint must be filed or made prior to or at the hearing before the Board.

Presentation of the Witnesses -- The Board will first hear the witnesses substantiating the charges which have been made against the respondent or in support of an appeal brought by a suspended officer or member. Thereafter, the other party may present and examine those witnesses whom he/she desires the Board to hear. All parties shall have the right to cross-examine witnesses presented by the opposite party.
