

2026 LEGISLATIVE PRIORITIES

Focused Priorities Supporting Fiscal Responsibility, Infrastructure and Community Safety

FINANCIAL STABILITY

Sustainable Public Pensions

- Protect pensions & taxpayers
- Require cost evaluation for all changes
- Link reform to documented problems

Protect Municipal Revenues

- Boost LGDF funding to reduce property tax burdens
- Increase state support for public safety & roadways

COMMUNITY PROTECTION

Body-Worn Camera (BWC) Privacy

- Prevent the monetization & commercial exploitation of police footage

Fiscal & Privacy Balance

- Safeguard citizen BWC dignity while reducing the FOIA compliance costs

Tougher Penalties for Fleeing

- Increase penalties for drivers who flee law enforcement

TRANSPORTATION

Regional Transit Reform

- Revise the People Over Parking Act to restore local authority to set minimum parking requirements
- Require SB2111 to have collar-county consensus on board decisions

Future Road Funding

- Evaluate solutions for declining Motor Fuel Tax revenue with new models

GOVERNMENT EFFICIENCY

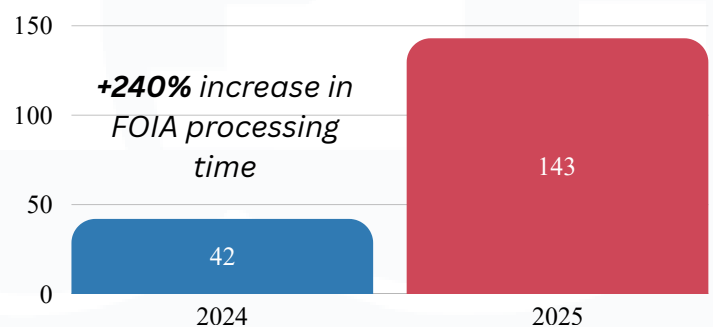

Modernize Public Notices and Maintain Transparency

- Replace obsolete newspaper ads with digital website notices
- Update records retention processes to eliminate redundancy
- Reduce administrative burden on City staff

“The People Over Parking Act strips away local zoning authority while ignoring the reality that current suburban transit systems do not support the daily needs of our residents.”

-Doug Krieger, Naperville City Manager

Hours/Week Spent Processing FOIAs

3.5 FTEs hired since 2022 **\$328K** Costs of salary and benefits
