

January - Resolve to Be Our Partners

The City of Naperville consistently ranks among the safest cities of its size in the United States. This type of recognition doesn't happen by accident. It's based on a strong foundation of community partners working toward a common goal.

The Naperville Police Department strives to collaborate with residents, businesses, non-profits, government agencies and other organizations to keep crime rates low, address problems as they arise and proactively make our community 'A Safer Naper'. These partnerships and their impact on the community will be the focus of our Safer Naper campaign in 2021.

This year, we encourage you to become an active partner in crime prevention and safety. You can start by learning more about and taking advantage of the various proactive programs we provide to the community.

Firearm Take Back Program

Rid your home of unwanted guns, thereby eliminating the risk of theft, misuse or accidental discharge. [Learn more.](#)

Internet Safe Sale Zone

Reduce the risk that comes from meeting with a stranger to complete a purchase that began online. [Learn more.](#)

Prescription Drug Drop Box

Drop off unused/expired prescription or over-the-counter medication to reduce the risk of misuse or abuse. [Learn more.](#)

Community Updates

By knowing what types of crimes are being committed in Naperville, you can help prevent victimization. Keep up with what's going on locally by following us on [Facebook](#) and [Twitter](#) or signing up for public safety community notifications through [Naper Notify](#).

As you can see, it doesn't take much to begin adopting crime prevention measures. We encourage you to learn more about these and other partnerships by keeping up with our Safer Naper campaign each month in 2021.
