1. Approve the minutes of the August 26, 2024 meeting

Mr. Rasche made a motion to approve the minutes of the August 26, 2024 meeting. Mr. Frances seconded the motion. The minutes were approved via a unanimous voice vote.

DRAFT

2. Receive the Water Street TIF Annual Report for the fiscal year ended December 31, 2024

Mr. Munch presented the 2024 Annual TIF Report as submitted to the State of Illinois. Munch reviewed the 2024 audited financial results of the TIF fund, which included \$690,681 in total revenues and \$3,869 in total expenditures and transfers out, for an ending fund balance of \$51,496.

Munch went on to review the TIF district's present valuation and projected tax increment to be collected in the current year, as well as a summary of the debt service associated with the TIF district.

Mr. Frances sought clarification on the fund revenues, specifically asking if the difference between total revenues and tax increment collected was attributable to interest income. Munch confirmed that there was a small amount of interest income retained in the fund. Frances also inquired about the debt service and how the City has paid for the debt service not supported by the tax increment to date. Munch noted that the City allocates other revenue sources, including home rule sales tax and food and beverage tax, to offset debt service payments on the property tax levy.

Mr. Rasche made a motion to accept the 2024 Annual TIF Report, which was seconded by Mr. Nagle. The motion passed by unanimous voice vote.

E. Old Business

1. Review the Water Street TIF Debt Service Schedule

Mr. Munch provided the members with a copy of the debt schedule for the TIF fund as requested during last year's meeting. The existing debt comprises Series 2014 and Series 2016 bonds. Mr. Frances questioned why the 2014 debt service payments were not consistent. Munch noted that both bond issuances pre-dated his tenure with the City, but he assumed the debt service payments were structured to level out the City's total debt service payments.

F. Adjournment

Mr. Nagle made a motion to adjourn the meeting at 11:22 a.m., which was seconded by Mr. Rasche. The meeting was adjourned by unanimous voice vote.

Receive the Water Street TIF Annual Report for the fiscal year ended December 31, 2025

BOARD/COMMISSION REVIEW:

BACKGROUND:

The Illinois Tax Increment Allocation Redevelopment Act requires that the Annual TIF Report be submitted to the state upon completion of the annual independent audit of the fund. That report shall then be submitted to the Joint Review Board. The City received the annual independent audit of the Water Street TIF on June 23, 2026, and subsequently transmitted the annual TIF report to the Illinois Comptroller's Office on June 25, 2026.

DISCUSSION:

As required by Illinois state statute, the City's independent auditor, Sikich CPA LLP, conducted the annual audit of the Water Street TIF Fund and submitted its audit report to the City on June 23, 2026. Per the audited financial statements for 2025, the fund had total revenue of \$677,160. Revenue included \$674,893 in property tax increment and \$2,267 in interest income.

Fund expenditures for annual auditing fees totaled \$4,025. Transfers to other funds totaled \$675,482. That amount was transferred to the Debt Service Fund to pay the TIF debt service.

The fund balance on December 31, 2025, totaled \$49,149, a net decrease of \$2,347 from 2023.

Further details can be found in the attached FY2025 Annual TIF Report, which includes the independent audit report from Sikich.

NAPERVILLE WATER STREET TIF DISTRICT

The Water Street Development continues to be a prominent destination for dining and shopping within the City's central business district. In alignment with the City's expectations, the project has completely transformed and defined the southern boundary of Downtown Naperville. What was once a forgotten street is now a destination for weddings, meetings, conferences, and visitors seeking unique shopping and dining options. The Riverwalk extension and parking provide important connections and amenities to serve the entire downtown. The parking deck and hotel, which is the only accommodation choice in Downtown Naperville, have consistently served as important amenities supporting a variety of cultural and community events and activities.

No new activities were undertaken in 2025.

Mr. Rasche made a motion to approve the minutes of the August 26, 2024 meeting. Mr. Frances seconded the motion. The minutes were approved via a unanimous voice vote.

DRAFT

2. Receive the Water Street TIF Annual Report for the fiscal year ended December 31, 2024

Mr. Munch presented the 2024 Annual TIF Report as submitted to the State of Illinois. Munch reviewed the 2024 audited financial results of the TIF fund, which included \$690,681 in total revenues and \$3,869 in total expenditures and transfers out, for an ending fund balance of \$51,496.

Munch went on to review the TIF district's present valuation and projected tax increment to be collected in the current year, as well as a summary of the debt service associated with the TIF district.

Mr. Frances sought clarification on the fund revenues, specifically asking if the difference between total revenues and tax increment collected was attributable to interest income. Munch confirmed that there was a small amount of interest income retained in the fund. Frances also inquired about the debt service and how the City has paid for the debt service not supported by the tax increment to date. Munch noted that the City allocates other revenue sources, including home rule sales tax and food and beverage tax, to offset debt service payments on the property tax levy.

Mr. Rasche made a motion to accept the 2024 Annual TIF Report, which was seconded by Mr. Nagle. The motion passed by unanimous voice vote.

1. Review the Water Street TIF Debt Service Schedule

Mr. Munch provided the members with a copy of the debt schedule for the TIF fund as requested during last year's meeting. The existing debt comprises Series 2014 and Series 2016 bonds. Mr. Frances questioned why the 2014 debt service payments were not consistent. Munch noted that both bond issuances pre-dated his tenure with the City, but he assumed the debt service payments were structured to level out the City's total debt service payments.

F. Adjournment

Mr. Nagle made a motion to adjourn the meeting at 11:22 a.m., which was seconded by Mr. Rasche. The meeting was adjourned by unanimous voice vote.
