

*Applications for 2021 special events will be accepted from
Monday, June 15, 2020 through Monday, July 20, 2020*

Thank you for your interest in holding a special event in the City of Naperville. This packet contains the information needed to apply for a Special Event or Film Production Event permit, as well as additional supplemental permits that may be required for your event.

Applications for all permits can be found on the City's website at:

<https://www.naperville.il.us/services/permits--licenses/special-events-permit/>

A Special Event Checklist, which is designed to help you determine permits that are required for your event, provided for you on page 4. Not all information may be applicable to your event however, all event organizers are required to complete the application in full and submit it with the requested documentation. The City of Naperville has final approval for all events.

Special Event Criteria

In 2018, members of the Special Events Team performed a comprehensive review of how events are evaluated and categorized. The Team decided to eliminate the "major" and "minor" event designations as they are no longer relevant to the departments.

Instead, the group created department specific criteria for each event and assigned an "impact score" based on the information provided in the application and previous experience with the event. Scores will range from zero to four by department and include, but not be limited to, such criteria as staffing levels required, expected attendance, parking impact, number of days of event, footprint of event (including road closures), inspections, mutual aid potential, type of entertainment, community impact, and whether liquor is served. The final score will determine the recommendation to the City Council and the appropriate level of City services.

Requirements and Conditions

- 1. Alcoholic Beverages:** A Special Event Liquor License is required for the sale of alcoholic beverages and must be approved by the City of Naperville Liquor Commission. Please contact the Mayor's Office at (630) 548-2983 prior to the event for requirements.
- 2. Amplification:** An Amplifier permit must be obtained for use of any speakers or sound system. The City of Naperville reserves the right to discontinue the use of any amplified sound if deemed unreasonable by the Naperville Police Department.
- 3. Block Parties:** A Special Event permit is not necessary for block parties; however, the City of Naperville requires that a permit be obtained for this type of gathering.

4. **Certificate of Insurance:** The applicant must submit an original Certificate of Insurance and the Additional Insured Endorsement page naming the City of Naperville, and their respective public officials, officers, employees, volunteers, agents and assigns, as an additional insured in the general aggregate amount of \$2,000,000. Furthermore, the event that is covered by the insurance must be named on the certificate. Upon approval of your event registration, an original copy of the certificate of insurance will be due at least 30 days prior to event date. The City of Naperville reserves the right to request additional insurance for the event as deemed necessary by City staff and/or the City Council.
5. **Compliance with City Ordinances:** The applicant shall comply with all applicable City ordinances, codes, conditions and requirements.
6. **Compensation for City Staffing:** Based on the impact score of the event, the City may require certain personnel on-site, including Police and/or Fire resources. The costs of all City personnel involved during the day(s) of the event, and in the preparation for the event, will be charged to the sponsoring agency unless funds from the Special Events and Cultural Amenities (SECA) Grant Fund have been awarded. The City shall determine the number of personnel necessary to ensure the safety of participants, minimize the inconvenience to our residents, and reduce the public liability exposure to the sponsoring agency and the city. The bill will be transmitted to the sponsoring agency within sixty (60) working days after the conclusion of the event.
7. **EMS Support:** Based on the impact score, certain events may require on-site medical support to supplement the City's EMS Team. In these instances, the event organizer will be notified in writing of the required medical personal for which they will be responsible.
8. **Filming Production Event:** Applications must be submitted to the Special Events Coordinator no fewer than 30 days prior to the event.
9. **Fireworks:** A permit is required for the use of fireworks during a special event.
10. **Food and Beverage Health Inspections:** Food and beverages shall not be sold at an event unless approved by the DuPage and/or Will County Health Department(s). Event organizers are responsible for arranging health inspections for their events.
 - DuPage County Health Department – (630) 682-7979 ext. 7183
 - Will County Health Department (Bolingbrook) – (630) 679-7030
11. **Food and Beverage Tax:** The City may require a food and beverage tax be imposed on food and beverages sold at events. Please refer to page 19 of the Special Event Resource Guide for details.
12. **Hold Harmless Agreement:** The event organizer must sign a Hold Harmless Agreement agreeing to indemnify the City of Naperville against any and all actions arising from, during, or as a result of the event.
13. **Resident and/or Business Notification:** For those events that require street closures or may cause disruption for residents or businesses, the event organizer must provide mailed or hand delivered notification to the affected parties two weeks prior to the event. The City of Naperville will determine which parties are to be notified and the Special Events Coordinator will provide the event organizer with a mailing list.
14. **Volunteers:** Certain events may need to provide a minimum number of on-site volunteers. In these instances, City staff will work with the event organizer to determine the appropriate number of volunteers.

The City of Naperville is not responsible for any accidents or damages to persons or property resulting from a special event; the event coordinator for the sponsoring organization is responsible for ensuring that the organization, event participants and spectators abide by all above conditions, ordinances, codes and requirements.
