PROGRAM DESCRIPTION

a) Objective

The objective of the Social Services Grant (SSG) Program is to enhance social service activities for community benefit.

b) History

In 2005, the City Council established a Social Services Grant in the amount of \$250,000 funded through the General Fund with the objective of enhancing social service activities for community benefit by providing necessary financial assistance to municipal, not-for-profit social service agencies. On April 16, 2013 the City Council approved an increase to the total Social Service Grant allocation from \$250,000 to \$500,000, beginning in Fiscal Year 2015.

c) Strategy

Provision of financial support for enhancement of social services (including labor, supplies, and materials) including, but not limited to those concerned with employment, crime prevention, child care, health, drug abuse, education, fair housing counseling, energy conservation, emergency financial assistance, recreational needs, senior services, or training for local agencies and institutions. The grant year starts on January 1 and ends on December 31.

- An organization must demonstrate a need for City funding.
- An organization must demonstrate on-going fund-raising efforts.

*Transportation is a priority in each category to fund the following objectives:

- a) Provide subsidy for a public transit voucher program.
- b) Provide subsidy for a gas voucher program.
- c) Provide subsidy for a taxi voucher program.

CITIZEN PARTICIPATION

All community members are an integral part of the community needs assessment and are encouraged to participate in the evaluation process. City staff frequently seeks community input when assessing the program and when the annual allocations are proposed. Community members can participate in the Open House Meetings organized by the City as well as in City Council Workshops. Furthermore, citizens can express their comments and concerns during the public hearing conducted during the regular City Council meeting when the annual allocations are presented for approval. Open House Meetings usually take place in late summer/early fall with Workshops scheduled later in the fall and public hearings in the early winter.

The City's staff assures that all grant-related events are well advertised in advance of the meetings via press releases, notices, and information on the City's website.

The City of Naperville will ensure that all persons with hearing, visual or manual impairments may participate in public hearings/meetings and receive public services. Accommodations such as sign language interpreters or other assistance can be required on an "on request" and "as appropriate" basis. All public hearings will be held in a location that is accessible to all individuals. Language will be included in the press releases and public hearing notice that ensures accessibility for persons with disabilities. An example of such language could be:

"Any individual with a disability requesting a reasonable accommodation in order to participate in a public meeting should contact the Communications Department at least 48 hours in advance of the scheduled meeting. The Communications Department can be reached in person at 400 S. Eagle Street, Naperville, IL, via telephone 630-420-6707 or 630-305-5205 (TDD) or via e-mail at info@naperville.il.us. Every effort will be made to allow for meeting participation."

All public meeting sites are disability accessible and auxiliary aids are available for those individuals requesting them.

APPLICATION PROCESS

a) Pre-Application Meeting

The application cycle for each program year will be preceded by a Pre-Application meeting. The meeting will not be mandatory, however if your organization considers applying for the grant the City's staff highly recommends that you attend this meeting. The meeting will be advertised by on the City's website and e-mail sent to the existing distribution list.

Technical assistance is and will be provided to organizations interested in receiving funding if they are unable to attend the meeting or would like to discuss the program further.

b) Application Forms

The number of funded organizations depends on funding allocations in any given year, quality of prospective candidates, eligibility of the projects, and funding amounts requested. The number of funded organizations will vary from year to year depending on those factors.

c) Application Review

Applications are evaluated and scored based on criteria determined by City staff prior to the annual pre-application meeting. An evaluation committee consisting of City staff and Community members will evaluate the submitted applications based on these criteria. Applications that do not meet these requirements will be rejected. The total score for each project will be obtained by adding all total scores from each evaluator. The highest scoring candidates will be recommended for funding.

AWARD PROPOSAL AND APPROVAL

a) Workshop and City Council Meeting

City Council members have the opportunity to review proposed awards prior to the Workshop and suggest allocation increases/decreases for the projects that applied for funding. Based on those suggestions, staff will calculate new amounts for the proposed awards.

Proposed awards will be presented to the City Council during the Workshop and further suggestions for the awards will be taken into consideration. The public typically does not speak during the Workshop, but applicants and other interested parties are welcome to attend to learn about project evaluation and preliminary awards.

Adjusted proposed awards, based on the comments from the Workshop, will be presented for voting during the City Council meeting preceded with by a public hearing. During the public hearing, any person can comment on the proposed awards and SSG objectives.

b) Notifications to Applicants

After City Council's approval of the SSG Awards, notices will be sent to the applicants informing each of the decision to fund or not fund their application. Applicants that are not funded are encouraged to meet with Department staff to work towards a fundable application in the future.

The Notice of Approval notifies the grantee of the amount and type of funds awarded and the activities that the grantee will undertake with the funds. **However, the grantee must not obligate or incur project costs prior to satisfying contract conditions with the City of Naperville.**

GRANTEE AGREEMENT

a) Scope of Work and Budget

After sending the Notice of Award and before disbursing any SSG funds, the City will enter into a signed agreement with the grantee that will remain in effect during any period that the grantee has any control over SSG funds. The City will prepare agreements and require grantees to enter information pertaining to:

1. Activity description
2. Budget

The City's staff will review the information provided and will work with grantees to incorporate any necessary changes. Grantees sign two copies or the original agreement and return them to the City to be executed by the City. City staff will send one signed original to the grantee. SSG Grantees are advised to refer to the Agreement on regular basis to assure compliance with the program rules.

b) Suspension and Termination

Either party may terminate the contract at any time by giving written notice to the other party of such termination and specifying the effective date. The City may also suspend or terminate the contract, in whole or in part without notice, if the grantee materially fails to comply with any term of the contract, or with any of the rules, regulations or provisions referred to herein and all payments shall cease; and the City may declare the subgrantee ineligible for any further participation in the City's contracts, in addition to other remedies as provided by law.

c) Agreement Amendments

1. Contract amendments may occur at any time, provided that such amendments make specific reference to the original contractual agreement between the City of Naperville and the grantee; and
2. Are executed in writing, signed by authorized representative of both organizations.

The City of Naperville may, in its discretion, amend contracts to conform with local guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the funding or the scope of services, such modifications will be incorporated only by written amendment and will not become effective until signed by both, City of Naperville and the grantee.

If you need to introduce an amendment to your agreement, please fill out the Agreement Amendment Form (Attachment A; available on the SSG website) and submit it to the Grants Coordinator.

REIMBURSEMENT PROCEDURES

Grantees must accrue costs prior to requesting reimbursement from the City of Naperville. Grantees can submit partial requests before the project is completed. Requests for reimbursement can be submitted on monthly basis by the 10th of each month.

Grantees must fill out the reimbursement form (Attachment B; form available on the SSG website) and submit supporting documentation. Supporting documentation will vary based on the type of the project.

Cost	Records
Salaries	Payroll information and check stubs
Rent	Lease, monthly payments (voided checks)
Supplies/materials	Receipts/invoices
Other	To be determined

Prior to beginning a project, Grantees should review the project goals, activities, and budget to determine what type of supporting documentation will need to be maintained. It is strongly recommended that Grantees develop a system for keeping track of project expenses and insuring that copies of all documentation needed for reimbursement are retained. The City of Naperville reserves the right to refuse reimbursement if documentation is not adequate.

For all questions or concerns related to reimbursement, supporting documentation and record keeping, please contact the Community Services Department.

REPORTS AND RECORD KEEPING

Grantees must maintain records pertaining to the awarded grant. Grantee's SSG file should in minimum contain:

- Grant Application
- Grantee Agreement
- Reimbursement Forms and supporting documentation
- Data on individuals benefiting from the funding
- Reports

Grantees are required to fill out and submit performance and financial reports to the City of Naperville. Grantees are to submit an annual report only.

Report Due Dates

- The annual report (Attachment D) is due by December 31 **or 30 days after project completion, whichever is sooner.**

Report forms can also be found on the City's SSG website at <http://www.naperville.il.us/government/grants/social-services-grant-fund/>.

Noncompliance with reporting requirements can cause payment withholding or funds suspension.

APPEALS PROCESS/GRIEVANCE PROCEDURE

In case of a rejected application or other program concerns, an applicant or grantee has a right to appeal the decision of the City Council and Department staff, other than the decision to terminate the agreement. Such applicant must appeal in writing to the within 15 days from the date of receipt of the application rejection letter.

Other concerns can be submitted on on-going basis. Every reasonable effort will be made to provide a written response to all written complaints received concerning the program within 15 working days. If for any reason, the decision of the Grant Coordinator is not acceptable to the applicant or the grantee, a written appeal can be submitted to the Director of the Community Services Department.

The Department Director may, at the request of the parties, schedule a hearing or simply render a written decision. If a hearing is held, all interested parties will participate and the formal rules of evidence will not apply. The grantee may be represented by an attorney. The purpose of this informal hearing will be to determine the facts of the situation, the appropriateness of the decision, and the justification and the appropriateness of the appeal. The Director will make a decision within 30 days of the hearing. This written decision will be sent to all parties. The Director's decision is the final administrative action that will be taken by the Department.
