**CITY OF NAPERVILLE  
MEMORANDUM**

**DATE:** January 22, 2025

**TO:** Doug Krieger, City Manager

**FROM:** Marcie Schatz, Assistant to the City Manager

**SUBJECT:** Board and Commission Demographics

---

**Purpose:**

The purpose of this memorandum is to share board and commission demographic data,

**Discussion:**

Beginning in February 2023, the City began sharing Boards and Commissions demographic data on the City's website. Sharing this data promotes transparency and may drive further interest among residents to get involved and apply to one of our many Boards or Commissions. To avoid skewing the data, we have excluded staff, City Council members, representatives appointed by other bodies (Park District, Heritage Society, etc.) and our high school Boards and Commissions participants. As a result, what we report represents those members that applied to and were appointed by the City. The City website currently shows the 2026 data; staff is working on displaying the historical data moving forward.
