

## City of Naperville COVID-19 Community Update 2/3/2021

### DuPage County Moves to Phase 4 in State's COVID-19 Plan

State officials announced today, Wednesday, Feb. 3, that Region 8 – the public health region containing DuPage County – has met the necessary metrics to move into Phase 4 of the Restore Illinois plan. Entering this less-restrictive stage reflects progress in slowing the spread of COVID-19. All of Naperville is now operating under Phase 4.

Phase 4 loosens limits on gathering sizes and building capacities. Under these regulations:

- Indoor dining and drinking are permitted for parties of up to 10 people;
- Retail and personal care businesses can operate at up to 50% capacity;
- Meetings, social events and indoor recreation activities can take place for the lesser of 50 people or 50% capacity.

A full explanation of what is allowed under Phase 4 is available on the [State's website](#).

This change in mitigations for DuPage County comes two days after the same change for the health region containing Will County, which went into effect Monday, Feb. 1. Naperville residents in both DuPage and Will counties are encouraged to continue following precautions to limit the spread of COVID-19. Such precautions include avoiding unnecessary gatherings, getting vaccinated when it is your turn and following the 3Ws – **WASH** your hands, **WATCH** your distance and **WEAR** a mask.

#### **Reminder: Municipal Center, Police Department Lobby Open**

As a reminder, the Naperville Municipal Center, 400 S. Eagle St., and the Naperville Police Department lobby, 1350 Aurora Ave., are now open to the public. Members of the public may enter the Municipal Center on the main level. Access to departments located in other areas of the building will be by appointment only. Access to the Fire Administration Building is by appointment only, and all other City buildings remain closed.

#### **City Services Guide Updated**

Members of the public are encouraged to continue doing business with the City online, by email or by phone. The City Services Guide, available at [www.naperville.il.us/coronavirus-resources](http://www.naperville.il.us/coronavirus-resources), was updated this week to outline the best ways to conduct business with the City online. The public can use the online Help Center at <https://napervilleil.mycusthelp.com/webapp/> or call (630) 420-6111 to be forwarded to the appropriate department. A complete list of contact information for City departments is available at [www.naperville.il.us/contact-us/](http://www.naperville.il.us/contact-us/).
