

**Special
Instructions for
Solar Customers**

Access Empower at

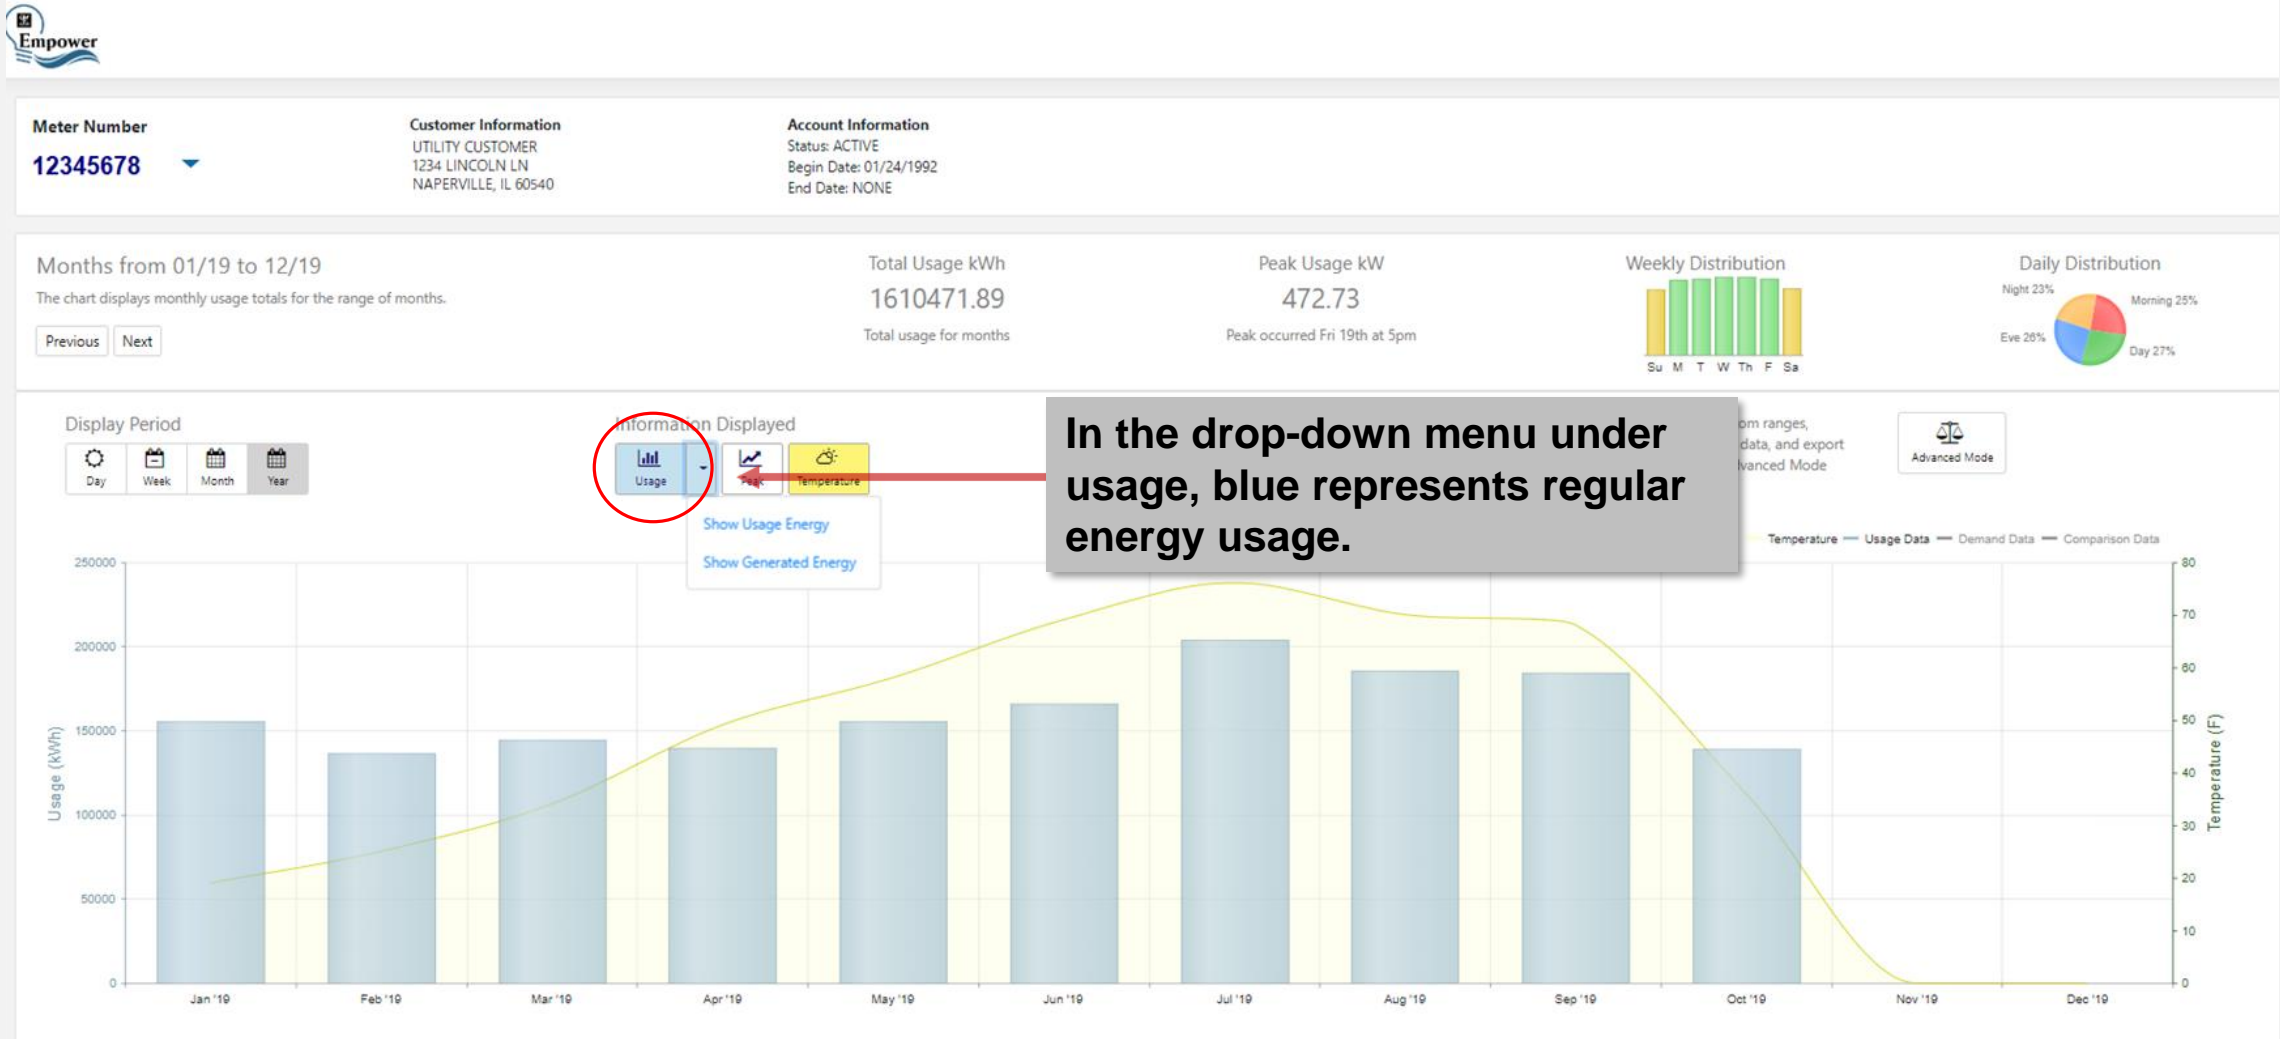

<https://www.empowernaperville.com>

Customers with solar panels can view their energy in two ways: their regular energy usage and the energy generated by their solar panels.

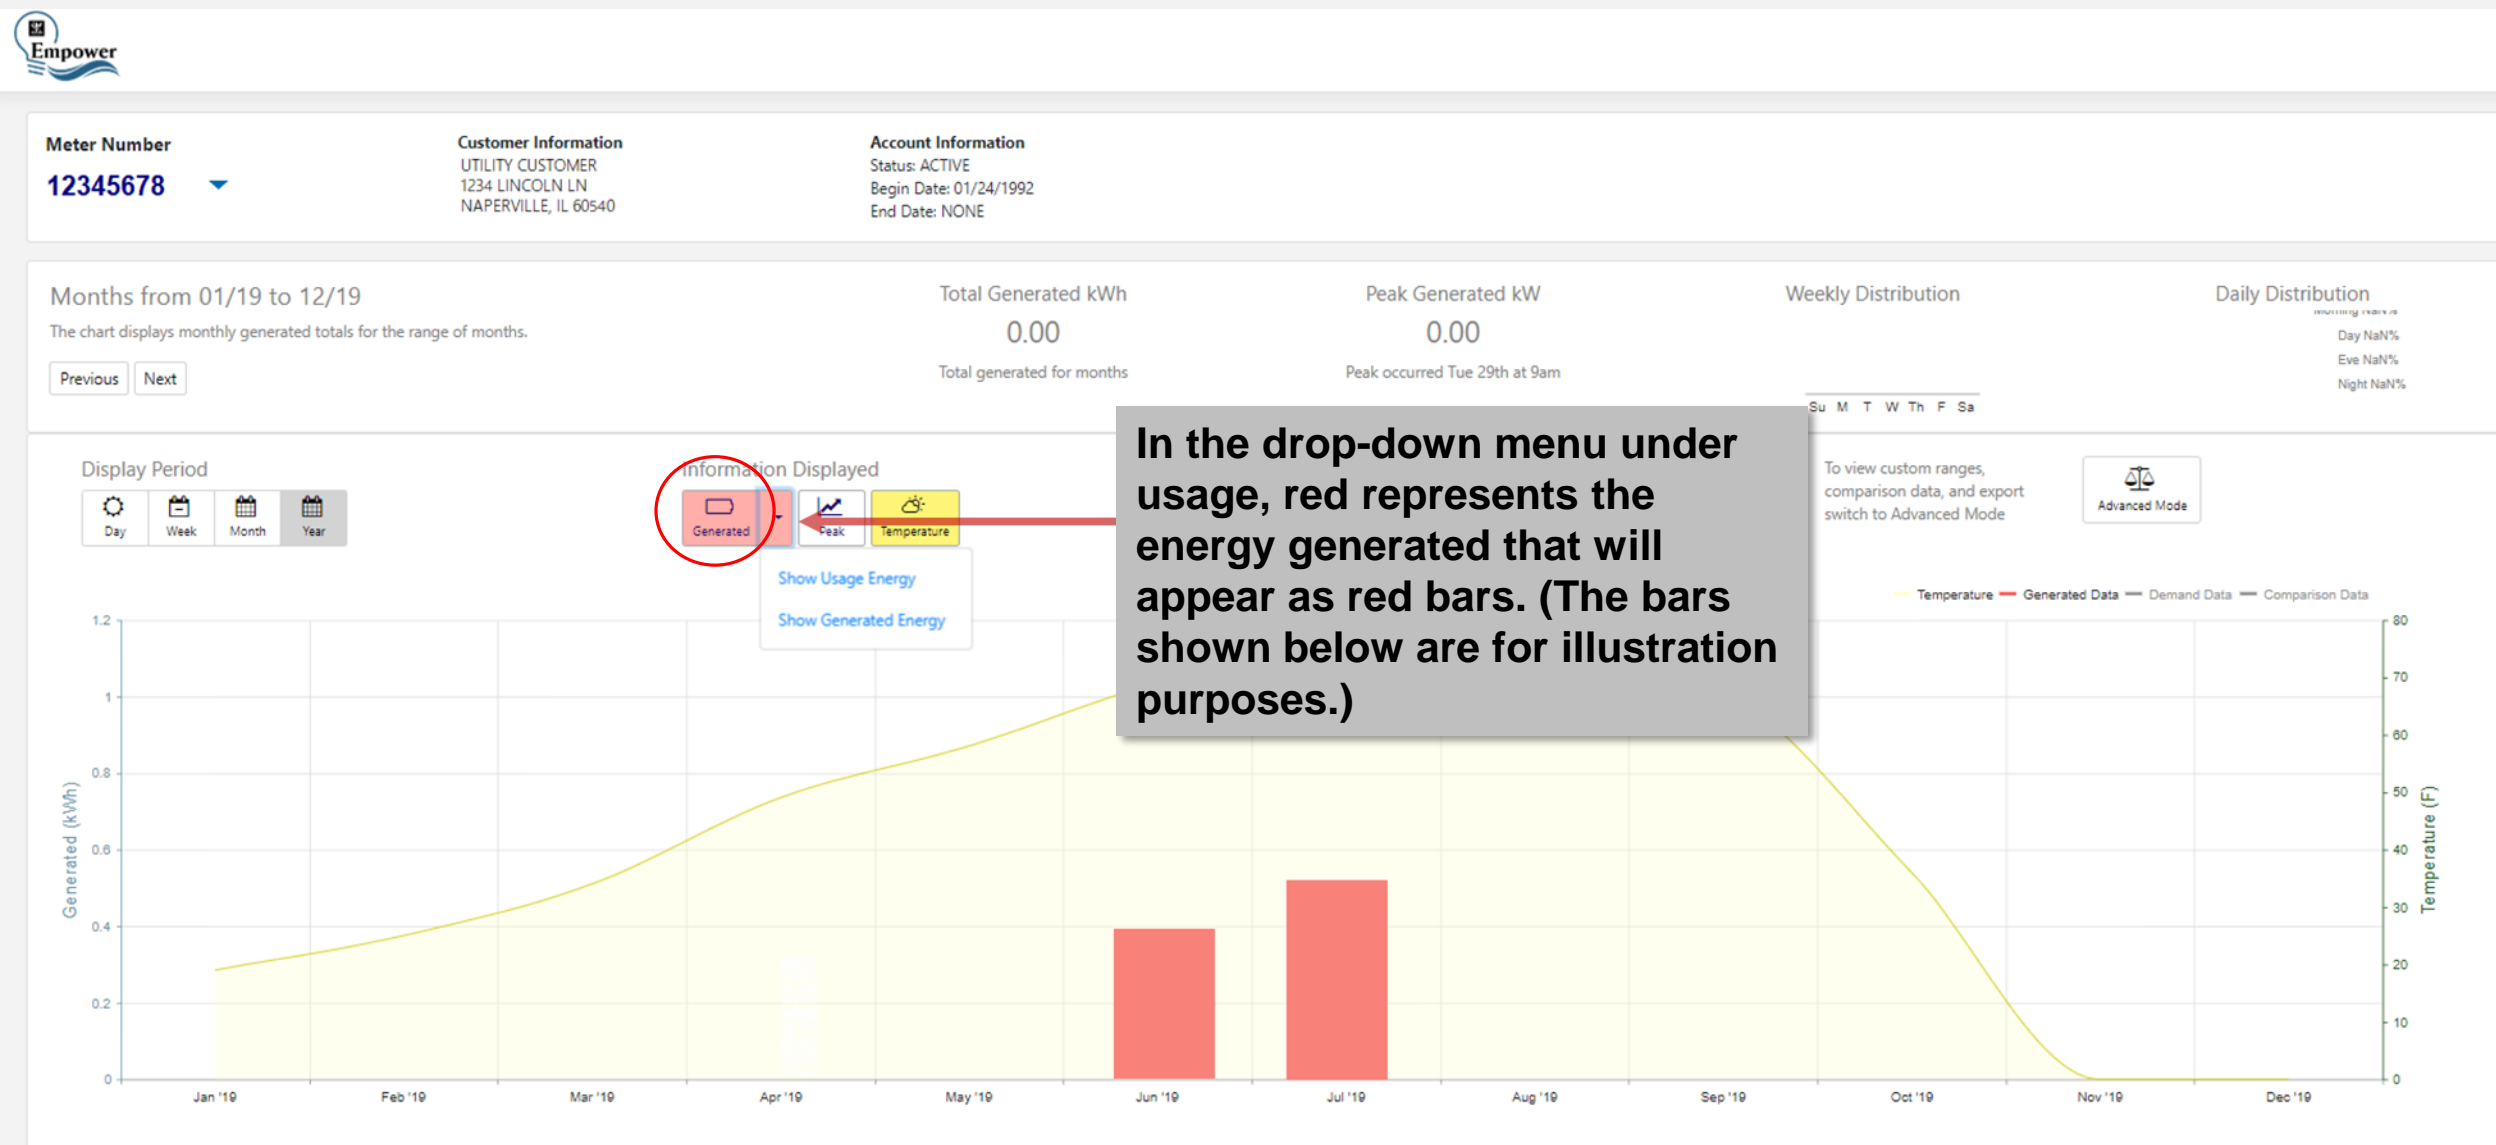

- Solar customers can toggle back and forth through the pull-down menu under **Usage**.
- When the blue usage button is shown, the customer's regular energy usage is displayed.

Customers with solar panels can view their energy in two ways: their regular energy usage and the energy generated by their solar panels.

- The red pull-down menu (**Generated**) shows the energy generated by a customer's solar panels.
