

# North Aurora Road Underpass Project

Pennsbury Lane to Frontenac Road

Public Information Meeting

July 21, 2022

4:00 PM – 7:00 PM

Naperville Public Works Service Center, Room #310

180 Fort Hill Dr, Naperville, IL 60540

Existing Underpass

Proposed Design

## Project Purpose & Need:

- Reduce congestion and mitigate safety and operational issues
- Provide route continuity with adjacent roadway sections
- Provide a safe and efficient path for bicyclists and pedestrians

## Purpose of Meeting:

- Provide project schedule update
- Notify the public of anticipated detour
- Gather public feedback on proposed improvement

## Detour Information:

- Anticipated 2-month detour in summer 2023
- Detour route utilizes IL Route 59, Diehl Road, and Eola Road
- Road closure is required to lower roadway (2 ½') to temporarily maintain proper clearances
- Closure to be coordinated with school districts and emergency response services
